Address: 387 Park Avenue South, 5th Floor, New York, 10016, United States Of America, New York City, New York

Price: Check with seller

Description:

Hair extensions are now widely used by both genders. They give a new style statement to your personality. Hair extensions are of various kinds depending upon the color, length, and volume. But the thing which is common in all is that they need a protective solution because of their sensitivities. Custom Hair Extension Boxes are used in this regard. They make them secure and protected while shipping and even at a retailer's shop.
