Description:

The book is a perfect gift for painters, sculptors, or anyone who cherish uniqueness in art and drawn to pattern creation. The textile-based works of art turn the products of mass production/consumption into formal studies of shape and pattern, showcasing beauty in the mundane. This is an original product by Bertoncino Studios. It comes with 48 high-quality pages. <https://www.amazon.com/dp/B0943KKJ4W>
