Description:

After months of quarantine, we were itching to see family back in Fort Lauderdale, Florida. We finally bit the bullet, packed the car, and took the 17-hour road trip down to Florida. With the kids out of school for so many months, it has been a series of ups, downs, laughs, and tears. Check out our Road Trip Day Video - https://www.youtube.com/watch?v=c22eC3g_KGQ
