Description:

A prenuptial agreement ("prenup" for short) is a written contract created by two people before they are married. A prenup typically lists all of the property each person owns (as well as any debts) and specifies what each person's property rights will be after the marriage. If you and your future spouse are interested in a prenuptial agreement and you want to make sure it is a valid legal document, it is vital that you contact an attorney to walk you through the process. Contact Edina, MN attorney, Beth Barbosa, has been practicing for over 20 years, so she intimately understands the strict requirements that must be met for a prenuptial agreement.
