Address: Duck Creek Village, Utah, United States

Price: 234900.00 USD

Description:

Please contact Scott Bird @ (435) 590-7106 Enjoy the amazing views from this log home. The main floor has an open floor plan with living, dining and kitchen. Double french doors open on the main deck. The perfect place to entertain and relax in the peaceful surroundings. The wood stove with a beautiful stone surround will warm you on those cold winter days as you return from skiing, snow shoeing, etc. The wood staircase leads to the loft and the master suite which includes a large jetted tub and walk in closet. The lower level has two additional bedrooms, a large family room and bath. This is the perfect getaway for you, your family and friends.
