Description:

At Learn to Live we believe in the importance of getting out of the environment you were in to retrain your brain for a life of recovery! Our comfortable environment, around the clock support, and evidence-based programming gives our residents the best of everything to aid in their recovery. We also believe in the healing power of nature. On a weekly basis we will be out in nature doing what we love: Sporting Events Hiking Fishing Camping Kayaking And more! Each resident will have access to a gym membership. Exercise is motivating and can do wonders for people in recovery. The house will have several activities seasonally designed to build community including bowling, paintball, movies, sports, and mo...
