Description:

Life's true wealth lies in good health. We believe that helping people achieve better health is the best gift you could possibly give. When you purchase a essential Nutrition report for a friend or family. you will be provided with instructions post purchase on how to send the gift, or you can even ship the Geno Palate kit directly to their door. GenoPalate® is a genetics-based, personal nutrition company that empowers you to Eat For Your DNA is your owner's manual, shaped over hundreds of generations by your ancestry. We decode your genes with the most comprehensive and secure dietary genetic testing on the market to discover which foods may help de-stress, focus, and energize you. Our ongoing research is revo...
