Address: Du Pont, Georgia, United States

Price: Check with seller

Description:

Just email me at: kevinkaandregg@rangersfans.com . 1968 Porsche 911 short wheel base Coupe SWB. Badged as a 911L, it has several period correct 911L features such as the 911L / S vented dual circuit disc brakes and front and rear sway bars as well as the 911L engine type 901/14. In storage from 1995 until 2006 then again from 2007 until 2015. It has the Certificate of Authenticity from Porsche North America. See attached scan for full details. Build date is 9/15/1967. The engine was removed in 2006 due to a problem in cylinder #2. While in storage, the car was vandalized: they stole the wheels, front hood, caused minor body damage to the right front fender and broke the driver's door glass. Missing engine parts...
