## **Description:**

For more details email me at: annaleeaccleverley@horticulturists.net . Beautiful, numbers matching 1973.5 Porsche 911T CIS Targa in Black over Black. The car has been well cared for over the years and it really shows. This is a sharp looking long-hood, I recently waxed the car and the black paint is like glass. There is no rust on the vehicle, and this is a really good example of the most desired versions of the long-hood 911. The 2.4 engine with CIS fuel injection are original to the vehicle. The 911 starts right up every time, runs excellently, and has good power throughout the gears. The engine compartment on the vehicle is nice and tidy as the car has been well kept. There are no engine or fluid leaks which...
