Description:

The Rancilio company has a long tradition of building high-quality espresso machines dating back to the 1920's. Rancilio's goal is to maintain their position of leadership in the industry and to provide customers with a means of enjoying a great cup of espresso, anywhere, anytime. The Rancilio Epoca ST-1 is the perfect machine for a coffee shop or a little business that does more than a "few cups a day". Made of heavy duty construction, this commercial machine excels at making a perfect espresso extraction time after time. It is fully NSF certified for commercial use, and features a huge 3.9 liter boiler plus a 2 liter water reservoir. Large Boiler An oversized 3.9 liter boiler lets the user switch between brew...
