Phone:

Address: 3385 Abia Martin Drive, Accord, New York, United States

Price: 199.00 USD

Description:

Opal ring is like a world of wonder that holds a tremendous intangible value, which is not measurable in terms of its characteristics. There are so many aspects of the Opal ring that will leave you gazing at its natural elements. The queen of all gems is praised worldwide due to its power and shimmering properties. The energy and intense vibrations of Opal Jewelry are appreciated all over the world. The Opal ring looks enticing when combined in 925 sterling silver material, and Rananjay Exports is well versed in keeping up the quality and authenticity of a variety of opals. Be it opal ring, pendant, bracelet, or necklace, they are beautifully designed to fulfill your wholesale jewelry quest.
