Description:

Due to the COVID-19 pandemic there are millions of vacant rooms worldwide. The most expensive room for a hotel is an empty one. Because of ongoing costs of running the hotel like employees, air conditioning, heat, advertising, maintenance etc. hotels are taking a double hit during this crisis. To survive and prosper hotels have begun giving away rooms for free! They feel that filling the rooms with guests and making money on things like the restaurant, spa, gift shop, golf course etc. is better than a total loss. A little bit of something is better than a whole lot of nothing. They also with this program create repeat quests and a referral base. So, the major hotel chains have contracted marketing firms like ...
