Address: Fairhope, Alabama, United States

Price: Check with seller

Description:

Amazing Tri-level Southern Creole 3 blocks from our Quaint Downtown, where you can enjoy socialize with your neighbors from the comfort of your front porch swing, before walking down to Red & White for a glass of vino and a fresh baked margarita pizza. Wow Factors include: a brand new Metal Roof, fresh St. Augustine sod and exterior paint and traditional wood floors throughout the main living level. Master located on the main level, second floor features two guest bedrooms and a full bath. The basement level offers a large laundry room, workshop area and expansive bonus room, as well as being an incredibly safe place to be during a strong storm. Home was built to withstand winds in excess of 150 miles per hour,...
