Address: 3505 Lake Lynda Drive, Orlando, FL 32817, USA, Orlando, Florida, United States

Price: Check with seller

Description:

Founded in 2006, with clients spread across North America, ISP is the trusted remote partner for the AEC industry. ISP's unique model starts with its state-of-the-art training institute. Once trained, ISP assigns team members to a variety of AEC clients as remote design teams capable of creating anything from Schematic Designs to Full Construction Document sets. Using this unique model allows our client's existing staff to focus on client relations, concept planning, and oversight while their remote team members focus on production. ISP's mission is to help their clients grow through qualified & cost-effective remote staffing. Our clients say that ISP has helped them to become 24-hour international business del...
