Description:

Serving the Allentown area, Credit Repair in my area has provided credit repair services in Allentown for over 15 years. It works with clients and credit bureaus to remove inaccurate and unfair negative credit items from credit reports. Additionally, the business ensures the information contained in the credit reports is in full compliance with the law. Credit Repair in my area provides credit and financial literacy counseling to help clients improve their understanding of credit, and how to not end up in the same situation again. Schedule a free consultation on (855) 656-2961 with us today!
