E-Mail Questions at: megganmsswarn@boyracer.net . This C7 Stingray is a work of art. I had an '08 C6 Z51 prior, and the Stingray outperforms it substantially, in practically every category: speed, responsiveness, acceleration, gas mileage (consistently over 30MPG highway), handling, breaking, looks, luxury, comfort, road noise, ground clearance/scraping, etc. It's a completely re-engineered vehicle, all for the better. - Warranty - Everything works - Never wrecked - All stock - Not tinkered with - Beautiful inside and out - Ready for you to drop 1000HP in her
