Description:

Shorten timelines and improve quality for your JDA MMS enhancement and integration projects. Our team analyzes your business needs and then recommends and helps you implement the optimal JDA MMS solution. Develop new features using the latest technology for the IBMi/AS400 to upgrade to the most user-friendly, robust JDA MMS installation possible. Youll get 24X7 assistance from our technical experts and support team. Integrative Systems provides customers with the highest quality JDA MMS resources in the industry, bringing retail domain experience, available project managers and business analysts, and developers knowledgeable in the application.
