Address: Surrency, Georgia, United States

Price: Check with seller

Description:

A rare opportunity to own an original, US market 1983 Toyota Land Cruiser FJ40, that came with - very rare - factory air conditioning and factory power steering. Legend has it that of the approximately 300 Land Cruiser's that were imported into the US in 1983, that around 30 had factory A/C and P/S. Full off body restoration. Every nut and bolt came off, most replaced with either stainless (for exterior pieces) or anodized (for interior), (except seats, roll bar and seat belts which got new grade 8 hardened steel bolts). Black trim: Frame, axels, most small brackets and most underside components painted in POR-15, White trim: Roof, grill bezel and rims (all 5) sandblasted and painted inside and out All silver tr...
