Description:

Mancia Orthodontics is a dental practice limited to orthodontics. We provide orthodontic treatment for children and adults. Invisalign orthodontic providers aligners are the most popular orthodontic appliance that straightens your teeth without any wires and brackets in Miami. Our invisalign Miami aligners are designed to move your teeth by changing your aligners every few weeks. Your teeth will move into the prescribed position by Dr. Mancia. Each aligner will be precisely manufactured to your individual treatment for precise movement and comfort. To ensure the best results possible, your treatment should be overseen and treated by an orthodontic specialist. Dr. Mancia is trained in orthodontics and is a certi...
