Description:

Employee and customer well-being protected with portable Screen. The COVID-19 pandemic is changing the way of doing business to protect all employees and customers. Sneeze guards help maintain social distancing and physical separation while protecting from splashes with portable sneeze guards from the ADM SneezeGuards. We have a fast service provider and understand the requirements of the sneeze guards in place for your business. It is very easy to install and helps you choose the right barrier systems in your budget.
