**Description:**

911 Outlaw Exterior Color - White. Repainted by Egyptian Body Shop, Dayton, Ohio in 2011 Full windows out disassemble paint job. There was some rust and it was repaired with new metal. New seals installed. 964 Smile installed between the hood and front bumper. Rocker panels have not been reinstalled and the original holes have been filled. I still have the original rockers if wanted. Front and rear bumpers Getty fiberglass bumpers. Rennline tow hooks have been installed in the rear and a removable Rennline Hook in front. Original mirrors are deleted. Reproduction RS mirrors installed and painted white. Paint does have some imperfections on the bumpers now after a year of use. Engine/Trans: 90 K on 1988 engine, ...
