Address: 8891 Brighton Lane #102b, Bonita Springs, Florida, United States

Price: Check with seller

Description:

Flood damage is not covered by your homeowners' insurance, and you can't add flood insurance as an endorsement to your policy like you would think. Instead, you must acquire a separate flood insurance policy from an insurance company that participates in the National Flood Insurance Program (NFIP), a joint venture between FEMA and the commercial insurance industry. If you are searching for flood insurance in Bonita Springs, contact John Galt Insurance Bonita Springs.
