Description:

Order Fadal Glentek DC 4 Slot Chassis and Power Supply, AMP-0005 online. ITSCNC offers Glentek DC Brush Amplifier, XYZAB Axis suitable for VMC15's, DC Rotary, and other small machines. The axis amplifiers are one of the most important aspects of the machine. We offer tech support to determine whether a part needs to be replaced, or if there are any other issues or concerns. Along with our Fadal engineering background and direct interaction with Glentek, AMC and Varedan engineers, we will provide you the best product support service not only at the time of installation but after too. Call at 1-800-342-3475 for more details about our fadal parts and services.
