Phone:

Address: Decatur, Georgia, United States

Price: Check with seller

Description:

When it comes to the criminal offense of Driving under the influence, also known as DUI, the process of being evaluated by a counselor is vital to achieving an alternative sentence. Our counselor-partners are required to undergo extensive training to ensure they are qualified to provide evaluations. This includes in-class education as well as hands-on training which provides a comprehensive overview of the DUI system and the requirements of a DUI Evaluation Decatur. Our counselor-partners are also required to obtain State-Mandated Continuing Education, which ensures they are up-to-date on the latest Driving under the influence laws and requirements.
