**Description:** 

Knee injuries are among the most common health issues that people experience. Sometimes, they are unavoidable. Other times, they are caused by avoidable personal health issues or by avoidable strain from running or lifting, for example. There are knee injuries that are caused by the negligence of someone else. In these cases, you can pursue a Charlotte, North Carolina, personal injury claim to recover compensation for your various damages. These damages can be extensive because they rely on their knees for so much in life. You can struggle to walk, exercise, work, and potentially require expensive surgical procedures, medical devices, and rehabilitation. If your injury was caused by someone elses negligence, co...
