Description:

Wine coolers, are appliances that chill or cool wine to achieve optimum wine storage and serving temperatures. They come in various sizes, storing anywhere from a few bottles to dozens of bottles at precise temperatures degrees depending on whether wine is white or red. Fridge Fix NJ Repair Service offers maintenance and repairs for your Sub-Zero, Viking, GE Monogram Refrigeration units in New Jersey. Sub-Zero pioneered built-in refrigeration systems. Featuring stainless steel grilles that characterizes this icon of kitchen design.
