Contact: Alex Zender

Phone: 1-239-261-8200

Address: 424 N. Dillard Street, Winter Garden, FL 34787, Winter Garden, Florida, United States

Price: 300.00 USD

Description:

Bridges earned their name because they literally bridge the gap between a missing tooth or teeth. They are made with two tooth caps (crowns) to anchor an artificial tooth (teeth) that fills the gap of a missing tooth (teeth). The crowns are known as abutments and a fake tooth is called a pontic which can be made of many different materials. We make ours using porcelain and some can be found mixed with high-quality metals. If you need of dental service in future you must book Shine Smile. You will get best service. Contact us:- Shine Smile 681 Goodlette-Frank Rd #110, Naples, FL 34102 Tel: (239) 261-8200 | Fax: (239) 263-3210 Email: info@shinesmile.com Website - https://www.shinesmile.com/dental-services/dental-...
