Address: Miami, Florida, United States

Price: 69.83 USD

Description:

These robust and eligible LED panel lights will add charm to your indoors. DLC, RoHS, ETL etcetera are some of the certifications these durable pieces have pleased! These efficient lighting solutions work well in any calm environment for an eye-pleasing look that doesn't pressure them too much when it changes from 4000K - 6500 K temperatures without sacrificing quality or performance. They're mostly used at office spaces or other business locations where durability matters most paired with good visibility even during high traffic hours.
