Description:

This is a luxury fifth wheel with lots of extras to make full-time living a breeze. The floor plan is very open and the kitchen huge. There's a convection/microwave combo oven, a three burner range with propane oven, an upgraded four door refrigerator with ice maker and a ton of counter space for food prep. The living area has a free standing dinette, a sofa that converts to a bed in seconds, two rocker/recliners, a huge entertainment center with a 40" HD TV with DVD player (surround sound inside and out!), an electric fireplace for heat or ambiance, and a desk/workspace. There's also a ton of storage in upgraded cherry cabinets and a fantastic fan with rain sensor. Going up the wide stairs to the bedroom you'll...
