Description:

Collector's Edition Bushwacker 3X World Champion buckle by Montana Silversmiths. A superstar among bucking bulls in the PBR, Bushwacker retired at the end of 2014. By creating this unique, commemorative buckle, Montana Silversmiths captures the THREE TIME world champion in all his glory. Featuring traditional engraving flourishes, the official PBR logo, a cast likeness of Bushwacker himself framed in the center and finished in two-tone silver and gold with hand-painted black to highlight these exquisite details, this is a truly handsome buckle. 3.75" x 4.5". Standard 1.5" belt swivel. Be sure to add this prized buckle to your collection. All orders processed within 48 hours. Please allow 7 business days to ship.
