Address: New York City, New York, United States

Price: 35.00 USD

Description:

I am so impressed!! These cookies are my new very favorite packaged keto cookie, and I'm a pretty tough cookie critic and have tried nearly every low carb keto cookie on the market ... These cookies rank top for flavor, texture and sweetness. You achieved a crisipiness that I don't think has been accomplished yet in the keto space. All this combined with your mission - WOW again!"
