Description:

Relish the beauty of an amazing Alaska vacation rental located in Seldovia. A Great place to spend peaceful hours fishing in plentiful Seldovia bay, watching varieties of birds, including eagles with scenic mountains in the background. You can fish for salmon from the beach below the deck in June, watch the 5K salmon shuffle run down the boardwalk the morning of July 4th, see otters playing in the slough below the house, and admire the perennial garden park just outside the door.
