Address: 4600 Kietzke Lane Suite #I-202, Reno, Nevada, United States

Price: 13.00 USD

Description:

Join us in increasing opportunities for home, community, and school success for individuals with disabilities, including those with behavioral healthcare needs. The Youth Mentor is generally responsible for developing and supporting an authentic and integrated youth guided voice in the expansion of the System of Care (SOC) approach for childrens mental health. Mentoring youth to participate at all levels in the SOC, including planning, evaluation, training and service provision. Other valued skills include: the ability to develop a good working relationship with the community organizations, diverse populations, and the general public; a team building attitude, ability to positively work with co-workers and volu...
