Price: Check with seller

Description:

International Disputes can be of many types but International Franchise Law deals with all sorts of disputes to represent you with all your rights and rights for franchisee. Franchise arbitration has become a major alternative dispute resolution method to traditional franchise litigation. It is now a well-recognized aspect of franchise law for the resolution of contract issues. For more call 202-686-2886 or visit http://www.internationalfranchiselaw.com.
