**Description:** 

This is an all original survivor with some of the best paperwork I have seen . I have driven many Corvettes and most drive well , but this one is exceptional , I doubt that anyone would disagree as to the performance of this car . As 1972 brought the last of the LT-1 cars and the first of the Elkhart green , combined with the last year for a chrome bumper car and the first for the actual VIN # to decode an LT-1 ( and big block that year ) in the car it makes for an interesting piece of corvette history . This car comes with a book of paperwork that shows ownership retention to detail as to keep it documented for future history in the Corvette world . Even back then someone cared enough to keep all the original ...
