Description:

Sciatica is a very common and specific type of back pain. People who experience sciatica typically report a painful sensation in the lower back, legs, or buttocks. At Kewanee Physical Therapy And Rehab Specialist, we treat our patients in a relaxed and comfortable setting. We have experienced physical therapists who use sophisticated diagnostic methods to find out the cause of the pain and discomfort in a patient. Individualized plans for treatments are being developed for providing the right kind of treatment to the patients. For more information and appointment, you can contact us at 309-852-2200 or visit our website <https://kptrs.com/>
