Description:

This Unbelievable Sterling Silver Solid Australian Boulder Opal Necklace features two gorgeous Opals with the most multi-colored fiery cosmic flashes amidst the two gemstones. The Solid Opal gems were ethically sourced from our quality family mines in Opalton, Australia and have been professionally polished and hand carved to give the stones a gleaming finish. 100% natural, genuine, and untreated, the precious gemstones dazzle with their natural beauty. The high quality 925 Sterling Silver bezel settings are sure to keep your precious opal gems nice and secure. The pendant renders complete by hanging off of a glittering base metal chain. Would you like to upgrade your chain? No worries mate! For additional chai...
