Address: 1525 Locust Street 8th Floor, Philadelphia, Pennsylvania, United States

Price: Check with seller

Description:

When holding someone accountable for a negligent act, the injured party must demonstrate evidence of the defendants failure to act a reasonably prudent person would have. Besides, adds their Philadelphia personal injury lawyer, You will have to show that the other partys breach of duty led to your trauma. Their best Philadelphia personal injury lawyer adds that you do not necessarily need to prove that the other party was negligent if the partys conduct was inherently dangerous and falls under the category of strict liability.
