Phone:

Address: Anderson, Alaska, United States

Price: Check with seller

Description:

Mint condition, never driven in a Minnesota winter. In fact hardly driven in the rain. It is a Rubicon, so I built it to take on trail rides. It was all stock till 59,000 miles, then I did the transformation. rivetrain: Factory 4.0 with Automatic 4 speed transmission, all stock. Factory Rocktrack Transercase. Tom Woods Custom rear drive shaft. Rear axle has 4.88 Yukon gears with install kit. Riddler rear Diff cover. Front Axle has 4.88 gears, RCV axle shafts, Off Road Only U-Turn Steering. Moog Ball Joints, Yukon Master install Kit. Riddler Diff Cover. Suspension: 4.5" Rubicon Express Short Arm Kit with rear track bar. Off Road Only Front Sway-Loc sway bar. Under Cover Fab, Aluminum Flat skid plate, Motor-Tran...
