Description:

We produced Himalayan Salt bricks from Himalayan pink rock salt, for the purpose of building a salt wall in Sauna, spa centers, asthma centers, yoga rooms, gyms, therapeutic salt chambers, and for healthful interior designing/home improvement. Aside from them being absolutely stunning with their illuminating blushed amber hue, they host a great number of health and environmental benefits. They purify the environment and make the air healthy to breathe in. They work wonders when it comes to creating a soothing ambiance with their soft amber glow.
