Description:

Very nice and clean. We had very little info on what all was done or needed to be done to the boat except that the engine had just around \$10,000 in work done to it. So we took this boat to Gettysburg marina in Pa where it went over a thorough inspection where all components were gone over and anything in need of attention was fixed and winterized. Some things done were oil change, impeller replaced with spare, bilge pumps replaced with spare, boots replaced, horn replaced, exterior and interior lights and so. After gettysburg marina worked on this boat for weeks, it went to York Canvas for a brand new enclosed bimpi. The enclosure is custom to provide multiple options. Has shower, sink, am fm, t.v. ready, micr...
