**Description:**

1969 Ford Mustang Sportsroof/ Fastback Q code 428 Mach 1. This beautiful car originally came with a 428/ C6 automatic trans, AC, Power Steering, and Power Disc Brakes. This car had sat for 15 years in a garage in pieces before I bought it. I spent many, many hours bringing this car back to life! The original 428 was just rebuilt, and the C6 was just rebuilt too. I have the receipts for the work done also! The engine was rebuilt to factory specs, except that I added a mild Comp cam to it. The car runs like a beast! The motor has about 50 miles on it since the car has been finished. The car has a fresh multi stage paint job, and the color is Acapulco Blue, and the hood black out treatment was painted on, it's not...
