Description:

Yin yoga has exploded in popularity in the last couple of years and being able to teach both vinyasa and yin yoga can be appealing to studios looking to hire you. Its also great if you want to lead your own retreats as you can offer vinyasa in the morning and yin in the afternoon without relying on another teacher. A yin yang yoga teacher training not only teaches you how-to live-in balance but it makes you a more versatile teacher. If youre considering joining a vinyasa yoga teacher training in Bali, why not join Inner Yoga Training and get your yin yoga teacher certification at the same time? Inner Yoga Training is unique in that it offers both vinyasa and yin yoga as part of their 200 hours yoga teacher t...
