Address: 2900, Fern Valley Rd, Louisville KY 40213, USA, Louisville, Kentucky, United States

Price: 17.59 USD

Description:

If you are going to replace your indoor lighting fixture, Flush mount ceiling lights are one of the best-suited lighting fixtures for indoor places. You can easily illuminate your hallway, kitchen, stairwell, etc., with a high brightness of these lights. Along with this, the beam angle of this light will help you to flare the shine in your space correctly. Furthermore, the switchable color temperature will allow you to change the lighting effect as per your need. In addition, these durable lights will last for a minimum of 50,000 hours which is far enough for their optimum use. Get a perfect flush mount ceiling light from different options at LEDMyplace.
