Address: Truck Net LLC 8490 Avenida De La Fuente, San Diego, CA 92154, San Diego, California, United States

Price: Check with seller

Description:

We offer 100% Low Sulfur Diesel in comparison to the 20% dilution or B-20 that most competitors offer. This translates into cleaner engine performance leading to an increase in mileage with fewer stops for filter and engine maintenance. The saved time of our professional drivers and reduced expenses of our clients make our diesel the premium product on the market.
