Description:

Truly a blast from the past. Unrestored, unmolested 36,000 guaranteed actual miles. Car came to us from second owner. He was a Ford, Lincoln lover. He once, in younger years, had a very large collection. All big heavy cars, none of which ever got driven. He also got a big stiffe over unrestored low milage sleds. This was once his favorite. Untouched, Unrestored just like it left the factory, SURVIVOR! and yes it needs nothing
