Description:

Here's a cool side gig. Know any homeowners? Business owners? We are an established solar firm serving the residential and commercial space in 36 states. We pay \$1000 for every prospect you refer to us who signs up for our nothing-down solar packages. In addition, \$50 for every prospect who just gets a quote! When you refer someone to us they must be a homeowner or commercial-building owner. We will reach out to them and gauge interest. They would provide us with a recent electric bill and our engineering team would analyze it and prepare a proposal, outlining cost savings and suggest financing options. All of our programs require NO DOWN PAYMENT. There is ZERO out-of-pocket expense. To learn more, call ...
