Address: Florida City, Florida, United States

Price: Check with seller

Description:

Volkswagen T2 Bay Window Bus (1972 1979) bumpers One of front and rear bumpers One set includes : 1 front bumper, 1 rear bumper - The bumper is copied from the original in shape, size and is perfectly comparable to the original bumper. - The bumper is made from 304 stainless steel, 2 mm thickness (it never rust, even at different temperatures), After the bumper is finished, it is polished to a high gloss. It looks like chrome. The inside of the bumper is painted with many layers, making it smoother and more beautiful. Link YouTube: https://www.youtube.com/watch?v=S7MhCe_VYA4 Besides this bumper for VW Bus T1, I also have bumpers for VW Beetle Euro and Euro type (1955-1972), Beetle Split, VW Karmann Ghia, Type 3...
