Get one of Rock Rental's portable dunk tanks to add an activity to your event that is extremely fun and exciting. If you have a party rental business, This one is a MUST HAVE. Return on investment (ROI) is outstanding. If you rent the dunk tank two times on a weekend at \$200 per rent, in one month you can nearly have the dunk tank paid off. Get it for only \$1695. Why should you get a dunk tank? 1.Add a new product that does not compete with your existing inflatables. Essentially this will add to your gross sales. 2.Portable. Can fit up to 5 dunk tanks in the back of a full-size pickup truck. This is not a tow behind your vehicle trailered dunk tank. 3.How about offering your small party customer the second item...
