Address: 2900, Fern Valley Rd, Louisville KY 40213, USA, Louisville, Kentucky, United States
Price: 89.35 USD

Description:
Trying to add an efficient and multifunctional fixture near your bed? So, a bedside table lamp with USB port will be ideal. Yes, the table lamp will help you get excellent brightness, an electrical outlet, and a USB port for conveniently charging electrical appliances. The table lamp also comes with an E26 base style to support lighting fixtures. Not only this, but the lamp is UL certified, which means you can use them in your space without doubting safety. In addition, the lights are long-lasting, so you can use them for several years without facing any depreciation on their lighting. Visit LEDMyplace for more details regarding a bedside table lamp with USB port.
